

MALVERN GAME HUNTERS 2007 COMPETITION

Once again the Malvern Game Hunters held a very successful Annual Competition with a record 274 entrants.

Although the weather conditions weren't ideal, many large animals were weighed in on Sunday at Coalgate Tavern.

The committee would like to thank **Malcolm & Clair Bennett** for their ongoing support as well as all their sponsors.

This hunting competition is the largest in the South Island and is very well supported by hunters and sponsors alike with fabulous cash and spot prizes being donated.
